

Plastic Pipe Cutters

Virax Guillotine

Guillotine Cutters

Hy-Ram is a UK agent for both the Virax and Reed range of equipment including Guillotine Cutters. The Guillotine Cutters feature a hinged lower cross-beam that swings open and allows the Cutter to be positioned anywhere along the length of the pipe. The Cutters achieve a straight square cut and Cutter Blades are re-sharpenable and replaceable.

Product code	Pipe Size Max. OD mm	Max Wall Thickness	Description	Spare Blade Product Code
117-000081	125	11.4mm	VIRAX Guillotine Cutter	041-000023 R H
