

Pipe Cleaning Straps

Pipe Cleaning Strap

Wheeler Rex Pipe Cleaning Straps

Highest quality pipe cleaning strap available in two lengths. A versatile scraper for removing mud and scale from pipe surfaces. Generally used prior to pipe cutting, drilling or the assembly of a pipe fitting. Angled blades promote self cleaning. Belt material is light, strong and non-corroding. Offers better scraping, cleaning & longevity than alternative studded type straps.

Product Code	Description
WHE1300	Pipe cleaning strap (3" - 12" diameter pipe)
WHE1350	Pipe cleaning strap (12" - 36" diameter pipe)

Bursting Wedges

Standard Bursting Wedge

Bursting wedges in a choice of two sizes. Particularly useful for maintaining the 'gap' when carrying out pipe cutting or splitting metallic pipe sockets.

Product Code	Description
084-000003	Bursting wedge - standard - 1/2" thick
084-000004	Bursting wedge - large - 1" thick

Extractor Shims
